A photograph of a modern staircase with a dark runner. The staircase is illuminated by a large, spherical pendant light. The background shows a bright window with white curtains. The overall aesthetic is clean and contemporary.

‘...visually stunning on
a staircase, a runner is
an instant style
statement.’

Retailers & Consumers

Ulster strives to provide you, our, with the best possible service; we offer a range of tools to assist with that all-important purchasing decision.

Ordering Samples

At Ulster we know that seeing an image in a brochure is nothing like holding and feeling our actual product in your hand. Often the inspiration for interior decoration (as well as essential tools in the matching of already-purchased furnishings and accessories), samples are core elements in the carpet decision-making process.

We have created an extremely high-calibre sample request service, ensuring prompt service for the consumer. Each sample is professionally presented in branded packaging. Delivery is guaranteed within 5 days of placing the sample request, however in most cases samples should arrive within 2 days.

Samples can be ordered by emailing samples@ulstercarpets.com or via our website.

Our Website (www.ulstercarpets.com)

Ulster's website offers a great wealth of information, and is a one-stop shop for everything you need to know about Ulster. It is an informative tool for both retailers and consumers; its enhanced features enable you users to search for a specific style, range or colour of carpet, or to gain some general advice on
